OUR HOST- SAAREMAA ISLAND

Saaremaa is the largest island in Estonia, located in the Baltic Sea. Also known as the island of Vikings. It covers an area of approximately 2,673 square kilometers and features a diverse landscape that includes marshes, forests, limestone cliffs, and beautiful beaches. The island's unique geographical position contributes to its mild climate and rich biodiversity.

Saaremaa boasts a rich cultural heritage influenced by various historical periods, including Viking age and Swedish and Russian rule. The island is home to numerous medieval stone churches, castles, and traditional villages that showcase Estonian architecture and craftsmanship. Notable sites include the Kuressaare Castle, one

of the best-preserved medieval castles in the Baltics, and the Angla Windmill Mount, which features iconic windmills representative of local agricultural history.

The islanders maintain a strong connection to their traditions through folk music, dance, and crafts. Saaremaa is famous for its unique folk costumes and handicrafts made from local materials. Saaremaa's culinary offerings are also noteworthy. The island has a growing reputation for high-quality local cuisine featuring fresh seafood and locally sourced ingredients.

Dear Imtal Europe enthusiasts,

Salme Viking Centre together with Asva Viking Village is excited to host our next Annual General Meeting and welcome you all to the island of Saaremaa this coming April (APR 24-27).

Some ten plus Estonian Vikings and archeologist from outside of our network will join us this year to share latest information about exciting archeological finds and reviving the Viking heritage of Saaremaa and perhaps most important, enjoy some good old fashioned island hospitality.

We have compiled this info package in order to help you with your traveling plans as well as to make your participation at the AGM as pleasant as possible.

Here you will find detailed information about the island, on how to best arrive to it, where to stay, what to do, and how to do it. Finally, even though we are months away from meeting in Estonia, you will also find a first draft of our program which may be subjected to some changes before April.

We kindly ask you to go through it, to timely fill in [the online application form](#) to help us with the organization, and not to hesitate to contact us should you need any clarification and/or additional information and questions. Thank you all in advance.

We are very much looking forward to hosting you in the east!
